

ST. ANSELM YOUTH ACTIVITIES PARENT'S CODE FOR INTRAMURAL ACTIVITIES

As a parent of a child in St. Anselm's Youth Activities, I promise:

- ✂ To ensure that my child attends all practices and games, on time and in uniform.
- ✂ To acknowledge the authority of the managers and coaches in determining strategy and player selection.
- ✂ To defer to the calls of the umpires and referees.
- ✂ To remember that this program is a learning experience for my child – that winning is not the primary objective of this activity.
- ✂ To work with and to cooperate with other parents and Youth Activities personnel to generate a wholesome and fun filled program.
- ✂ To agree not to tolerate or use foul language or physical violence.
- ✂ To monitor the activities of the managers in the area of playing time. According to the rules of each activity, all children are guaranteed a specific amount of playing time, both during the regular season and during playoff.
